

Mississippi Coast R/C Club Spring Fly-In Gulfport, MS April 17, 2010

April 17, 2010 was the Spring Fly-In at Mississippi Coast R/C Club, In Gulfport, Mississippi. You might remember that the fall event had a couple of conflicts that resulted in a good turnout, but not a great one. Not so this spring, it was packed!

Event Director and Club President Jerry Gollott and his crew had everything ready. The Field was prepared by Field Marshal Amy Hille. She was assisted by Tony Seymour. I've never seen the field look better.

Registration and Meal Tickets were handled by Nathan Rische. 50-50 Raffle tickets were sold by Greg Reed and I think some others.

Club Chef Ron Johnson headed up the cooking crew. Ron cooked the hamburgers. Hot dogs and fish, and Bobby McCarroll cooked the chicken. It was ALL great!

The weather had been terrible for about a week, but the day of the Fly In was nearly perfect. Blue skies and light wind. This is a fly what you got event, so there was everything there, from Jets to Park Flyers.

Thanks to Marsha and Lee Carroll for helping me with the pictures.

There will be another one scheduled for the fall, so don't miss it!

Paul Verger, AVP
