

## Azalea City R/C Fly-In

The Azalea City R/C of Mobile, Alabama, Fly In was held on May 15th, 2010. The event was actually scheduled for three weeks earlier, but was moved due to a terrible weather forecast for the first weekend.

Weather was much better on the second try . . . maybe a little wind, but overall was good. Only a few miles away at the Mississippi line, it was storming! They were blessed.

Event director Tony Farmer did his usual fine Job of having everything ready. Registration was handled by Wayne Boudreaux and J C Day. The food was done by Alvin Reed with the assistance of Russell Ward. Hamburgers and sausage dogs were great!

They had a great Raffle. There was some merchandise prizes and a lot of Gift Certificates that were good at Hobbytown USA of Mobile. The grand prize was a Scale ARF given away by Hobbytown USA, thanks to owner Rob Baker!

Thanks to Frits Jetten for taking pictures for me. I really appreciate it Frits.

News Flash. There will be an All War bird Fly-In in Mobile this October. It's unclear if it will take the place of the All Scale, or be in addition to it. I'm hoping for two events!

See you there!
