

Pine Belt R/C Fly-In, April 3rd, 2010 Hattiesburg, MS

April 3rd, 2010 was the date of the Pine Belt R/C of Hattiesburg, Mississippi Fly-In. Event Director Jeff Williams had everything in perfect order for the Fly-In. Well, perhaps maybe he should have put someone in charge of the weather!

About 50 flyers registered on a cold, rainy, windy morning. Everyone hung in there till lunch, more on that later. A few flyers gave up after lunch and went home. The faithful were treated to a great Fly- In, as the weather broke about 1:00 and we had a beautiful afternoon! People flew until dark.

What about lunch? Well, this was not your typical Field Lunch, it was more like a Full Buffet! There was a great variety of food under the big tent. . . they call it the Food Court. It was great!

The Pine Belt R/C did a great job of putting this on, and let me tell you they are a small club. They are not much over 20 members, but everyone did what they could. In case you are a small club and think you can't put on an event, you CAN! It just takes a dedicated group of hard workers.

Special thanks to Marsha and Lee Carroll for helping me with the pictures.

The next Fly-In in Hattiesburg is scheduled for the first week in November. See you there.

Paul Verger, AVP
