

Ryan Hunter Jones

November 8, 1979 / May 3, 2008

The West Alabama Aeromodelers have lost a great member and friend to many. Ryan was a vibrant upbeat person to all that knew him. He was just one of those people that brought a smile to your face just thinking about him. In person, Ryan's big grin was contagious!

Ryan was always eager to help a club member in need and to help with any club activity, and could be depended on like clockwork, and always the first to arrive anywhere he was expected. Ryan was great with all visitors, especially the young children that would come out to the field, the children were drawn to him like a magnet! As a whole, the world has lost a kind soul and West Alabama Aeromodelers a true asset and friend. Ryan will forever be in our thoughts. To Ryan's family and loved ones we continue to offer our Prayers, Love and Support.
